Fond du Lac County Farmland Preservation Plan Working Group

Thursday, October 13, 2011, 6:00 p.m.

City-County Government Center, Room H

1. Call meeting to order.
2. Review the work plan for the Farmland Preservation Plan
3. Discussion of the following with respect to the Farmland Preservation Plan:
 - Agricultural uses of land in the county including key agricultural specialties, if any.
 - Key agricultural resources, including available land, soil, and water resources.
 - Key infrastructure for agriculture, including key processing, storage, transportation and supply facilities.
 - Significant trends in the county related to agricultural land use, agricultural production, enterprises related to agriculture, and the conversion of agricultural lands to other uses.
 - Anticipated changes in the nature, scope, location, and focus of agricultural production, processing, supply and distribution.
 - Development trends, plans, or needs that may affect farmland preservation and agricultural development in the county:
 - Key land use issues related to preserving farmland and promoting agricultural development, and plans for addressing those issues.
 - Increase housing density in areas other than farmland preservation areas.
 - Goals, objectives, and policies in the current Farmland Preservation Plan.
 - Actions to preserve farmland and promote agricultural development.
4. Next meeting date.
5. Future agenda items.
6. Adjournment.

Individuals with disabilities requiring special accommodations for attendance at the meeting should contact the County Clerk's Office, (920) 929-3000, at least 48 hours prior to the meeting.
